Dear Mom & Dad & Boys

Just a short note tonight - got
your letter today Tom - really OK -

Well I went swimming today - got sun
burned - a little - I'm really trying to
get a tan - but it's a painful process
more fun. How does the move in the
Cemetery work - pretty good yet - glad to
see the painter got done - good look
pretty nice - sure hope you win that
\$10,000 dollars Tom - really would
come in handy for Tom - Boy Pete or I or
we would appreciate it - if you sent me
some more covers - you know the pictures
in my album with - black - I used that
paper under all up - Had a banana for
dessert tonight more fun - first one for food
for a long time - more fun

Love Howard
