Dear Folks -

Just a couple of lines -
tonight - not a great deal to
write about - Am fine & hope
you are all well & OK - Well
I think our flying down to
Africa is just about sure - don't
know for sure - don't know what
will do now - or after we get
done with this job - probably
stay here awhile yet - You ago
today I graduated from Peconic
5 hrs - don't seem that long -
I didn't fly today - don't think
I will tomorrow - Rained here
a little today - not very much
though - Well we got a press
coming up on the 12 of this
month - guess I'm going to a

resort on 20 Med. for 3 days
hope the son likes - hope to
get a good tan - How you
OK I hope - Can't think of
anything else to write - just
isn't any news around here -
Take it easy -
