Dear Folks -

Just a few lines tonight  
Am fine & hope you are all  
well & OK - got that package  
with the electric stuff in  
it - costs a million -

Well I flew today - We  
were supposed to take a bunch  
of men up to Germany - but  
the weather was bad & we  
went to Paris instead - only  
stayed there a couple of hours  
& came home -

Well am going on post  
again to Rome - for 3 days -  
so this is a relief to get away  
from here a little while -

getting dark all ready. It is  
only 6 o'clock - they don't turn  
on the lights till about 6:30  
guess they heard me - they just  
turned on the lights - good deal

How are you receiving my mail  
OK I hope - I think the mail  
is slowing down all around  
now - every thing is so mixed  
up around here - but its coming  
so don't worry - ~~all~~ about all  
for now - take it easy

Love

James
