Dear Folks -

Well not a great deal to write about - some old stuff well not doing a great deal of flying now - just loying around - I'm fine & hope you are all well & O.K. - Well its been raining off & on around here - & it sure gets cold at night - but its not too bad went to a show last night for a horse - pretty good - how are the equines coming - getting any - hope so - I'll finish this letter this after noon - maybe I'll get a letter from you - to answer our mail service is pretty bad over here - we haven't gotten any mail now for 5 days.

But when it comes it will
come all at once - more fun
Well no mail this after noon
so I'll finish this letter -

How's grandma - OK I hope -

Got a hair cut this after noon
also got my teeth checked over
they in good shape as yet -
we was glad to hear it -

Well about all for now
take it easy -

Love

Hawes
